# WELCOME AND INTRODUCTION

*Thank you for volunteering to be a Special Religious Education (SRE) Catechist in your Parish. I would like to warmly welcome you to the SRE Catechist ministry!*

SRE Catechists are in a privileged position to bring a life changing message of God's love, the hope we have in Jesus and the importance of faith in our lives. In a time when young people have so many challenges and distractions and are navigating life to attain a strong sense of self identify, we bring the priceless message of God's infinite goodness and love for us all.

Pope Francis says catechesis is the 'echo of the Word of God' and is a privileged space for personal encounter with him. To do this effectively the Pope says we must remember elements of catechesis most needed today: expressing God's saving love and appealing to freedom, marked by joy, approachability, openness to dialogue, warmth, and welcome.

The work of SRE in NSW is governed by legislation which requires that time is set aside in the school timetable each week for religious instruction. Within this legal framework there are a number of mandatory requirements of SRE Catechists. Many are to do with ensuring the safety and protection of children and so we actively support and abide by all these requirements. For example from 2021, the mandatory online Child Protection Training Unit must be done by all new SRE Catechists **before** they are authorised by the Parish to represent the Church. Also we teach according to an approved curriculum and do not introduce unapproved materials. SRE Catechists are required by public schools to follow the Department of Education COVID-smart measures.

SRE Catechists are required to be trained. This orientation session is a precursor to Level One training which you are required to undertake in your first year of teaching. Once an SRE Catechist completes this initial course which is offered several times each year, the volunteer will be accredited to teach SRE.

Catholic SRE in the Parramatta Diocese is overseen by the Confraternity of Christian Doctrine (CCD). The CCD was first established in 1556 and eventually under Pope Pius X became an agency of all Dioceses worldwide. In NSW each of the 11 dioceses have a CCD office. The Parramatta CCD office was established by Bishop Bede Heather in 1987. New catechists will be joining a worldwide network of faith-filled people, committed to bringing children the greatest gift of all - Jesus. Enjoy the journey!

Cecilia Zammit  
Director, Confraternity of Christian Doctrine (CCD), Diocese of Parramatta

*Note: Throughout this booklet the term SRE Catechist has been used to refer to those working in the Catechist ministry in state schools and so generally includes both SRE Teachers and Helpers.*

# PRAYER

## OPENING PRAYER

Leader: Lord, you call us to this ministry of Special Religious Education to share in the Church's mission of spreading the Gospel. We ask you to bless our gathering. May today's session help us grow in readiness to use our gifts and talents at the service of your Son through this ministry. We ask you this in Jesus' name. Amen  
Let us listen to God's word.

## READING

*A reading from the Gospel of Mark (Mark 9:33-37)*

Then they came to Capernaum; and when he was in the house he asked them, 'What were you arguing about on the way?' But they were silent, for on the way they had argued with one another about who was the greatest. He sat down, called the twelve, and said to them, 'Whoever wants to be first must be last of all and servant of all.' Then he took a little child and put it among them; and taking it in his arms, he said to them, 'Whoever welcomes one such child in my name welcomes me, and whoever welcomes me welcomes not me but the one who sent me.'

The Word of the Lord.

**R Thanks be to God.**

*Please pause for a moment and reflect on the Gospel reading.*

## REFLECTION

Jesus tells us that little children are welcome to come to him and not to stop them (Mt 19:14). We are called to serve the children and youth in our State schools. We strive to welcome them as we would welcome Christ, and to help them learn and grow as His disciples.

God knows our work isn't always easy. We are constantly challenged by influences beyond our control. Thankfully, we are not alone in our Ministry. Jesus is with us as a people gathered in His name - strengthening us with the wisdom and courage of the Holy Spirit.

Jesus tells us that love of God and love of children are woven together in mystery. As we reflect on our call to serve the children in our local State schools in the faith, we can take comfort in knowing that our efforts will help them grow in knowledge and love of God.

No effort to reach out to a child ever goes to waste, and in God's eyes, no kindness toward them is ever forgotten. As SRE Catechists we plant seeds of faith which with God's grace will bear fruit at some stage in their lives.

## REFLECTING ON YOUR CALL TO BECOME AN SRE CATECHIST

## CCD MISSION STATEMENT

The Confraternity of Christian Doctrine (CCD), Diocese of Parramatta consists of catechists who are mainly volunteers, dedicated and committed to teaching Special Religious Education (SRE) in public schools.

We strive to ensure that children from Catholic families attending public schools, have an opportunity to hear the Good News, to develop a relationship with God and to feel welcomed as valued members of the Church community.

We endeavour, by our living the gospel values, to nourish and support the faith development of the students and their families.

We will strive to challenge unjust structures which impede the mission of Jesus. We seek the support of our colleagues and collaborate with other ministries and organisations to enable this mission to emerge.

We commit to engage in ongoing formation, responding to signs of the times in continuing the mission of Jesus Christ.

We value the opportunity to give witness to our faith, and to work alongside other Christians and other faith teachers, in our common commitment to enhance the human and spiritual development of students in public schools.

# SRE CATECHIST TRAINING

Sharing faith with others is a great responsibility, and it requires the development of special skills and knowledge. In an address to a plenary assembly in April 1992, Saint Pope John Paul II stated that: *'To set high standards (for catechist training) means both to provide a thorough basic training and to keep it constantly updated. This is a fundamental duty, in order to ensure qualified personnel for the Church's mission, with good training programs and adequate structures, providing for all aspects of formation – human, spiritual, doctrinal, apostolic and professional.'*

CCD Parramatta offers three levels of SRE Catechist training, plus reflection and formation days throughout the year. Information about upcoming training dates can be obtained from your Parish Coordinator.

## Level 1 (Compulsory)

The Level 1 course is compulsory and includes topics such as: exploring the curriculum, teaching strategies, classroom management, the Bible and lesson planning. Level 1 training is offered several times during the year and runs on one day of the week over 8 weeks: 9.30am to 2.30pm. If a session is missed it can be made up at another Level 1 course - just let the CCD Office know when catching up on missed sessions.

Some Level 1 units are available online. Please enquire through your Regional Co-ordinator. Zoom training sessions may also be offered.

## Level 2

SRE Catechists who have completed Level 1 are highly encouraged to go onto Level 2 and then Level 3 training courses, although they are not compulsory. Level 2 runs over 7 weeks (one day/week) and builds on the classroom skills learnt in Level 1 and offers an opportunity for deeper understanding of faith development of the students and faith formation for the SRE Catechist.

## Level 3

Level 3 comprises two parts: Part A -Study of the Gospel of the year (5 weeks) and Part B - Journey of Faith is (5 weeks). Part A is open to anyone wishing to further their understanding of the Gospels.

**Certificates of Completion** are presented to SRE Catechists who have completed all sessions and other requirements of the Level 1 and the Level 2 courses, at their Regional Mass the following year. Those who complete the Level 3 Training Course are presented with their Graduation Certificate at the Annual CCD Diocesan Mass.

# LESSON PLANNING AND THE COLAL CURRICULUM

As SRE Catechists teaching in NSW Public schools, we are required to teach from the approved Curriculum and in Parramatta Diocese the approved curriculum is *Christ Our Light and Life* (COLAL).

The COLAL Teacher's manual and activity books are obtained from your Parish Coordinator.

Lesson planning is important in ensuring: your SRE lessons are as effective as possible, your students are engaged with interesting activities and discussion and that lesson Learning Outcomes are achieved.

The COLAL Teacher's Manual provides an excellent basis for your lesson plans, but as the teacher you are in the best position to determine the methods and materials which will be most engaging for your individual learners. Planning your lesson with varied and interesting activities suited to your students' interests, abilities, learning preferences and learning stage is the best way to avoid having to manage inappropriate behaviour in the classroom, and it will maximise learning.

A template lesson plan is provided in Appendix 5 of this booklet and an example completed lesson plan can be found in Appendix 6. The lesson planning session in the Level 1 training course will go through this and other lesson planning tools and approaches. This session is taught towards the end of the Level 1 course so you can use your learning and ideas gained from the rest of the course into preparing lesson plans.

The time and effort you put into your lesson planning is an invaluable investment in the faith development of your students.

## Pope Francis calls us to be creative

In a message sent to catechists from all over the world, Pope Francis stressed the need to not only make Christ the centre of their lives, but to be creative and adaptable in finding ways to reach the people in their area.

"The catechist is creative; they search for different means and forms of announcing Christ," the Pope said in his July 12 message.

Believing in Jesus is "beautiful," he said, because Jesus is the way, truth and life "who fills our existence with joy and gladness." "This ...leads us to find new signs and ways of transmitting the faith," he said, noting that while the means might be different, what's important is to imitate "the style of Jesus, who adapted to the people he had before him in order to make them close to the love of God."

# SECONDARY SRE LESSON PLANNING

The Lesson Planning template and example lesson plan provided (see Appendix 5 & 6) are suited to a Primary SRE lesson although they can be adapted for secondary lessons. In Secondary SRE while the structure of the lesson is similar with time allocated for prayer, orientation, development and synthesis there are important differences. One of the first things you will notice as a Secondary SRE Catechist is that there are just 12 lesson plans for a given curriculum year, not 32. There is also no Activity book for Years 7-12. This means a different approach to lesson planning is required. Time allocated for Secondary SRE lessons may differ to Primary school.

Instead of activity books, additional information and exercise sheets are provided in the Teacher's Manual after each lesson. Just as Primary SRE Catechist teachers often choose to take more than one week to properly cover a given topic, this is even more the case with Secondary SRE Catechist. Treat the lesson plans provided as stimulus material from which you can cover a range of related topics or introduce other related materials.

Here are a few other tips for Secondary SRE lesson planning:

- You may wish to draw from lesson plans across other years of the COLAL curriculum, ensuring that the material provided is age appropriate. This could involve going back to a Stage 3 lesson, if you are confident it is not overly familiar to your students, or going forward, if you are confident they won't be exposed to the same content within a year or so, and it is appropriate to their learning stage and needs.
- Encourage discussion on the topic: your learners have more to contribute being older and with more life experience. Engaging your learners through stimulating discussion will make them active participants in their faith learning. Remember the COLAL methodology which is to integrate the Word of God/Church Teaching with the personal experience of the learner: *"The communication of faith in catechesis is an event of grace, realized in the encounter of the word of God with the experience of the person."* (GDC#150)
- Find relevant and engaging videos and multimedia materials. Make sure they are approved resources. See the 'Useful Websites' section of this booklet for recommended online resources
- Refer to the 'Know, Worship and Love' textbooks for your Year level as they have a wealth of related information.
- Creative approaches to prayer. Awaken them to the myriad prayer forms we can use to talk to God. Have them create their own prayers. Guide them in a reflection, meditation, Lectio Divina or the Rosary. Consider a person or situation where prayer is needed, and practical ways we can respond to those needs. Use intercessory prayer. Create a classroom liturgy. Reflective music can also assist to create a prayerful atmosphere.
- Keep an eye out for secondary training sessions which are run by the CCD, where you can update your learning and share ideas with other Secondary SRE Catechists.

# COMPLIANCE MATTERS

Religious Education in NSW was legislated as part of the Public Instruction Act of 1880 and has remained part of the timetable in public schools since that time. Approved providers of the various religions that teach in public schools are required to be compliant with certain conditions.

One such requirement is that SRE Catechists must undergo initial and ongoing training in child protection, classroom management and in how to teach the approved curriculum with sensitivity and in an age appropriate manner.

Parramatta CCD ensures these obligations are met through:

- the orientation session
- Level 1 training
- 'refresher training' throughout the year at parish team meetings, and
- ongoing training modules for trained and experienced SRE Catechists.

Within the orientation session, your Parish Coordinator or Regional Coordinator will take you through the following important compliance documents:

- Parramatta Diocese Code of Conduct for working with children and young people – see Appendix 1
- Child Protection Notification process for Special Religious Education teachers - see Appendix 2
- Responding to Reportable conduct - see Appendix 3
- Classroom Management – see page 16.
- Any COVID-smart measures currently in place for SRE. See:  
<https://education.nsw.gov.au/teaching-and-learning/curriculum/religion-and-ethics>

When these documents are reviewed annually at term parish meetings your Parish Coordinator will record attendance on the parish SRE Catechist register; so it is essential that all SRE Catechists are present.

# HELPFUL ADVICE

- Arrive at the school at least ten minutes before the lesson if possible. Being punctual is important as the children should not be left alone.
- On arrival, sign in using their sign in procedure eg. attendance book; electronic sign in
- Be prepared - even over prepared for your lesson.
- Children learn in different ways so try and engage them all.
- Vary ways of saying prayers e.g. use music and singing, intercessory prayers, gratitude, meditation, poems. Remember to encourage the children to participate in a prayerful, reflective manner.
- Vary storytelling methods e.g. rather than reading the story each week use 'Echo Mimes' where the story is told using actions and the children repeat the story and actions after you - for example Exploring Scripture (which is based on Godly Play) and 2D and 3D Biblical Figures.

## YOUR FIRST LESSON

1. Introduce yourself to the children.
2. Discuss some rules for the class with the children.
3. Use positive language, e.g. 'Listen when others are speaking' rather than 'Don't talk while others are speaking.'
4. Teach the behaviour you want. If the children do something you aren't happy with tell them and teach them what you expect. Always practice this with the students.
5. Give instructions clearly and slowly and only one at a time.
6. Don't allow the children to railroad the lesson. They often like to tell you their life stories. Keep them on task.

## QUESTIONING ADVICE & TIPS

- Be enthusiastic about the students' questions. Be glad they asked.
- Commend them for using the good minds that God gave them to find out about the truth.
- Encourage them to keep asking questions. Remember that questions help us to have insight into their thinking and understanding.
- Treat all questions seriously.
- Affirm that it is good to ask questions.
- Give simple answers and stick to the point.
- Ask students 'What do they think?'
- Give the students more information if they are unsatisfied with the answer.
- Ask the student to restate the question if you think you have misunderstood what is being asked.
- Use simple concepts and language that is age appropriate.
- If you don't know the answer tell them that you will try to find out and invite their participation in finding the answer.
- It is better to say that you don't know than to invent an answer or say something that you know to be wrong.
- Always give time for the students to answer a question rather than answer your own question. The students will learn to wait for you to provide the answers.

## WHAT DO YOU DO WHEN:

1. A student suggests an answer that is incorrect:
  - Affirm the student for offering an answer.
  - Suggest that the student considers something from the lesson that will help them see the correct answer.
  - Clarify any misunderstanding before you move on.
2. No-one offers an answer:
  - Give the class some extra information that will help or retell the section of the lesson that contains the answer. It's better to help them get there than answering your own question, if possible. If this happens a lot, the self-reflection tool might be helpful to think about how to improve class engagement. (Level 1 training will cover this.)
  - Tell them the answer and move on with the rest of the lesson
3. A student's answer is very lengthy:
  - Thank them for their thoughtful answer but explain that you'd also like to hear other students' thoughts.
  - Suggest to the student that you will talk to them later (don't forget to do so)
4. A student begins to give you personal details or information that is not appropriate:
  - (if applicable) Follow the Notification Process for Catholic SRE.

## COLAL Activity Books

- Each child will receive an activity book. They will often receive a note from the parish requesting payment for the book. If your parish does this, collect the money and return it to the parish office.
- Children are given an activity book whether they have paid their money or not.
- Ask the teacher in the classroom for a place to keep the books rather than carrying them back to school each week.

# THE ABC OF SRE

**A**lways be early for your class.

**B**e careful never to be alone with only one or two students.

**C**lass rules/expectations should be set in your first SRE lesson of the year with reference to the school rules.

**D**o find out about relevant school policies eg. rolls, behaviour management, mobile phone policy, lock down emergency procedures etc.

**E**nsure additional resource materials are in line with the approved curriculum (COLAL).

**F**orm good working relationships with scripture teachers from other denominations and staff at the school.

**G**o with confidence into your class knowing God is always with us.

**H**elpers in the classroom are God's gift to teachers.

**I**n all lessons adhere to the approved curriculum – Christ Our Light and Life COLAL.

**J**ust ignore the temptation to give out lollies or food to the students as they may cause an allergic reaction.

**K**now your students' world. Take an interest by noticing special events that are taking place at their school.

**L**earn your student's and class teacher's names.

**M**ake sure you follow the parish procedure if you are unable to teach/assist your lesson.

**N**ever take photos of the students in your class without the written permission of school and the parents.

**O**ther visual resources eg. video clips, you tubes should be approved by the school SRE Catechist coordinator in advance.

**P**ray for your students and prepare well - the work put into preparation will be rewarded in the classroom.

**Q**uestions are important to achieve high student involvement. Encourage their questioning minds.

**R**emember to wear your Authorisation Card and lanyard while on school grounds.

**S**elf-reflection is important to review the effectiveness of your lessons and to generate new ideas.

**T**eaching is about relationships - the basis for effective communication of the Gospel message.

**U**nderstand that students learn in different ways and at different speeds. Be mindful of additional needs students.

**V**isual resources make the lesson brighter and more interesting. Ensure any visuals are age appropriate.

**W**hen dealing with disruptive behaviour use positive reinforcement techniques and ask for assistance if necessary.

**X**plain clearly the behaviour you expect from your students and always give clear instructions.

**Y**ou always need to remember that parents are the first and principal educators of their children in their faith.

**Z**eal and zest inspired by the Holy Spirit makes this ministry vibrant.

# CLASSROOM MANAGEMENT

**Preparing your lessons well is an important aspect of the classroom management. Keeping your classes fun, engaging, inclusive and interesting is key to preventing classroom management issues.**

- Be organized and try not to cover too much in each lesson
- Keep it simple
- Keep it do-able
- Expect good behaviour and neat work – acknowledge it when it happens
- Calmly insist that reasonable standards are met
- Calmly persist until they are
- Above all, radiate enthusiasm joy and calm. Without this, we are not effectively witnessing to God’s love
- Teach the behaviour you expect from the children in your class and acknowledge and affirm them when they are carried out. Some examples:
  - To raise their hand before speaking
  - To raise their hand before moving in the room
  - To wait for your response
- Respond to good behaviour so that students begin to understand that you will give them the attention they want from you when they behave well
- Have a few simple rules:
  - We will raise our hand before speaking
  - All eyes on the person speaking
- Keep instructions simple and ensure all eyes are focused on you when giving these instructions

## USING PRAISE EFFECTIVELY

- Get to know the children by name (name tags can help!) and use it when speaking to them.
- When students are working on an activity move about the room and praise or encourage them to continue the good work they have started.
- Catch them ‘doing good’ and praise them for it:
  - ‘Mary, I like the way you raise your hand and wait for your turn.’
  - ‘Blake, you have really tried hard with your find-a-word, well done’.
- Always speak courteously and with respect to students when speaking to them, remembering “We are all made in God’s image and likeness”.

### Also remember to:

- Have some useful activities that can be used in spare five minute periods or for children who work quickly and finish before others.
- Ask for advice and support, when needed, from your parish coordinator or the school appointed coordinator.

## SCHOOL POLICIES & PRACTICES TO BE FAMILIAR WITH

- Reward program e.g. merit cards, points system etc.
- Dealing with difficult students and discipline policy
- Evacuation policy and procedures.

# ROLE OF SRE CATECHIST HELPER

An SRE Catechist Helper/Assistant is someone who journeys with an SRE Catechist. They can participate in the lesson, assist the students and provide support as necessary.

The role of the SRE Catechist Helper will be negotiated between the SRE Catechist and the Helper and may include:

- Leading the class in prayer
- Marking the class roll
- Distributing Student Activity Books
- Assisting students with their book work or activities, eg. craft
- Assisting with technology, eg powerpoints and audiovisual etc
- When appropriate, assisting with reading in class
- Demonstrating actions for a song or drama
- In collaboration with the SRE Catechist nominating children for merit awards
- In collaboration with the SRE Catechist planning the lesson
- When confident, assisting in the presentation of the lesson
- Evaluating the lesson with the SRE Catechist following the lesson

SRE Catechist Helpers should be provided with a copy of the Teacher's Manual and Student Activity books for the class they are helping/assisting. The SRE Catechist should provide the lesson plan to the SRE Catechist Helpers so they have an awareness of what will be taught during each lesson.

SRE Catechist Helpers are encouraged to attend the CCD Level 1 Accreditation Course. Upon completion of the course an SRE Catechist Helper could fulfill all the duties of an SRE Catechist and teach an SRE class on their own, if they choose.

An SRE Catechist Helper may choose to remain a Helper and not take on the responsibility of teaching a class however they will still be required to complete Level One Training.

## CCD RESOURCES

The CCD Office has a large range of resources for borrowing including many of the music, books and posters listed as recommended resources in the Christ our Light and Life curriculum. # Appendix 1: DIOCESE OF PARRAMATTA CODE OF CONDUCT- WORKING WITH CHILDREN AND YOUNG PEOPLE

## PREAMBLE

The opportunity to work with children and young people in the ministry of Special Religious Education (SRE) is a privilege. As you will be representing your Parish community there are commitments to care for children and young people, yourself and the communities you represent.

This Code will assist to clarify the parameters of appropriate conduct for those who work in child and youth related ministry. It is anticipated that the general principles expressed in this Code may be applied to circumstances not referred to in this document when required.

Because SRE Catechists work in public schools they are also bound by the NSW Department of Education Code of Conduct.

## Appendix 3: REPORTABLE CONDUCT SCHEME – ADDITIONAL INFORMATION & REFERENCES

- *Reportable conduct is covered in Section 3 of the ‘Diocese of Parramatta Code of Conduct – Working with Children and Young People’ -see Appendix 1.*

### WHAT IS THE REPORTABLE CONDUCT SCHEME?

The Reportable Conduct Scheme requires WWCC Holders to report any allegations regarding Reportable Conduct involving a WWCC Holder (**Reportable Allegations**), or convictions regarding Reportable Conduct involving a WWCC Holder (**Reportable Convictions**), to the head of their entity. The Bishop is the Diocese’s head of entity, but in practice the Office for Safeguarding assists the Bishop to meet his obligations.

The Scheme covers the conduct of WWCC holders towards children (under 18 years), whether that conduct occurs at home or at work.

The Scheme also requires the Bishop to report any Reportable Allegation or Reportable Conviction involving a WWCC Holder to the Children’s Guardian and initiate an investigation.

# Appendix 4: THE ANNUAL ASSURANCE LETTER

Every year the Diocese of Parramatta must give certain written assurances to the Department of Education about how we conduct our Special Religious Education ministry. As the head of the Diocese of Parramatta, the Bishop signs the annual assurance letter.

It's important for all SRE Catechists to understand these assurances as they require us all to do our part to comply.

These assurances include:

- That all SRE Catechists have a Working With Children Check clearance, and that this clearance has been verified by our diocesan Safeguarding office.
- That we have in place a system of authorised initial and ongoing training for our SRE Catechists and that this training include training in classroom management, mandatory reporting and child protection.
- The ongoing training includes efforts to address findings in the review of teaching SRE.
- That we have a curriculum scope and sequence published on our website
- That our SRE Catechists are teaching our curriculum with sensitivity and in an age appropriate manner.
- That we provide the school a list of the names, dates of birth and contact details of authorised SRE Catechists. (This enables the school to check the Department's 'Not to be employed list'.)
- SRE Catechists are to present photo ID upon request by the school.
- SRE Catechists are to wear a name badge which includes the name of the authorised provider. (We meet this requirement with our authorisation card displayed in a lanyard.)
- That SRE Catechists report incidents of "Risk of significant harm" – see Appendix 2.
- Our complaints procedure is published on our website

For more information about the responsibilities of approved providers refer to 'Special Religious Education Procedures – Implementation document for Religious Education policy' found at the following link <http://bit.ly/2CCSSRW>.

- Revision questions & Orientation discussion
- For K-2, plan your Story telling method– (Storybook, song, drama, echo mime. etc.)

Have some coins on the prayer place to prompt the students’ memory of the previous lesson ‘The Rich Young Man’.....Ask the students:

- What did Jesus ask him to do?
- Why did the rich young man go home sad?

Remind the students that his wealth meant a lot to him and he would not share what he had with others so it was hard for him to follow Jesus. He was very sad.

Brain storm with the students the word FRIENDSHIP. Using a mind map, ask the following questions to generate ideas. (May not need to ask all these questions)

- What does friendship mean to them?
- Have you ever hurt another person? With words? Or with actions?
- How did you feel? How did they feel?
- How do we forgive? What did Jesus teach us about forgiveness?

Show flashcards ‘FORGIVENESS’ and ‘SORRY’.

It’s hard to like some people because of the way they act and the way they treat others. Jesus reminds us to always treat people with love and respect. He always reached out to people in friendship and showed forgiveness, making things right between them, God and others.
